

ASUSPRO P1440

Affordable, versatile and business-ready

14" For Working people | Education | Back office

Robust Military Grade Reliability

Dual Storage
1TB HDD + 512GB SSD

Service Door for Easy Upgrade

180° Hinge

4 USB port

Anti-glare display

Fingerprint Sensor

Productive and professional yet budget-friendly

ASUSPRO P1440 is designed to help you grow your business, with a professional design, dual storage options including a superfast SSD and a large storage HDD, comprehensive I/O ports for peripheral compatibility, a lay-flat 180° hinge for flexible viewing angles, and an easy-access service door for quick component upgrades. P1440 weighs just 1.7kg, offering easy portability combined with all the features needed to master daily productivity.

Powered by Intel® Core™ i7 processor. Intel's most powerful processor for what's coming.
Intel, the Intel Logo, Intel Inside, Intel Core, and Core Inside are trademarks of Intel Corporation or its subsidiaries in the U.S. and/or other countries.

Stylish and durable, with a 180° hinge

The stylish ASUSPRO P1440 features premium brushed textures and a durable, scratch-proof finish. The robust hinge has a full 180° of movement, reducing physical stress on the hinge and allowing comfortable viewing angles and easy screen sharing.

Caring for eyes with anti-glare display

We've given the large 14-inch display on ASUSPRO P1440 an anti-glare treatment so that it's extra-easy on the eyes. With fewer unwanted reflections and improved color, contrast and sharpness, work is more comfortable with less eye strain in any environment.

ASUSPRO P1440FA

- Intel® Core™ i7 8565U/ i5 8265U/ i3 8145U Processor
- Windows 10 Pro / Home
- Up to 24GB DDR4L 2400MH
- Integrated Intel UHD Graphics 620
- **Up to 1TB HDD + PCIe 512GB SSD**
- 14" HD (1366x768) / FHD (1920x1080) Anti-Glare Panel
- **Up to 12 hours battery life**
- **4 x USB Type-A , HDMI, 1 x VGA, 1 x RJ45(LAN), 1 x SD card reader, Super-Multi DVD (Optional)**
- **Ultra-fast WiFi 802.11ac**
- **1.6kg~1.8kg with Battery**

Dual storage options and easy upgrades

ASUSPRO P1440 offers a powerful combination of a superfast SSD and a 1TB storage HDD, giving you the perfect mix of high-speed data access and massive storage capacity. A convenient service door on the base gives you easy access for upgrading the RAM or storage without dismantling the entire device.

Always ready with a full range of I/O ports

ASUSPRO P1440 provides a wide selection of I/O ports for maximum on-the-go convenience. To connect monitors, TVs or projectors, there's a choice of HDMI or VGA (D-Sub) ports. There's a total of four USB ports — three USB 3.1 Gen 1 ports (up to 10X faster than USB 2.0) and a USB 2.0 port — plus an RJ45 network port for LAN and internet connections. Additionally, there's an optional Super-Multi DVD drive module.
